November

December

In-Person Events

Online Events

Resources

Demo Sites

Communications

Other Industry Events

South Australia										Roadshow - tentative (Mt Gambier, Loxton and Murray Bridge)			
Tasmania				Seed certification workshop	Nutrition workshop			Seed workshop		Irrigation and moisture management			
Victoria		American potato experts, Tolsma and Lamb Weston (Thorpdale)											
Queensland			Sustainable farming practices (Bundaberg)										
Western Australia					Seed management workshop					PredictaPT and Smart Spud workshop			
Webinar, video or online training	Seed spacing trial results from Canowindra, NSW demo site (video)			Seed sourcing - quality and certification (webinar)	Seed management - pests and diseases (webinar)	Nutrition - nutrient requirements & organic sources (webinar)	Seed management (online training)	Disease identification (online training)	Regenerative agriculture (webinar)				
					Input use efficiency - nutrition (online training)	Disease management - cultural practices (webinar)			Disease interactions (webinar)	Energy and fuel efficiency (webinar or podcast)	Soil carbon - productivity and reduced emissions (webinar)		
Fact Sheet				Seed - cutting (poster)	Precision agriculture - nutrition		Seed - hygiene and handling	Diseases and defects (poster)	Building long-term soil health	Common scab			
				Soil biology 101									
Case Study					MOP vs SOP, nitrogen inhibitors and humate (Vic)	Seed storage trial (Canowindra, NSW)							Soil health and reduced tillage (Qld)
						Irrigation (Vic)							
							Smart farming (Tas)						
Global Scan					Precision agriculture - nutrition	Precision agriculture - irrigation			Regenerative agriculture				
Podcast		Mycorrhizal applications and impact - Springbank demo site	Lachlan Heysen at the the 2022 World Potato Congress Dublin	Technology - soil mapping and variable rate application	Water moisture monitoring with sensors - Springbank demo site		World Potato Congress - international guests	Nutrition management - grower interview		Energy and fuel efficiency (webinar or podcast)			
New South Wales	Seed storage trial, Canowindra												
Victoria	MOP vs SOP, nitrogen inhibitors and humate trial, Springbank												
News Bulletin	Monthly bulletin of latest news and events to subscribers												
Magazine	Issue 11		Issue 12				Issue 13			Issue 14			
Social Media	Ongoing - news, events and resource updates												
Website	Ongoing - new resources and event updates												
PotatoLink in Attendance							Hort Connections (Melbourne, 3-5 June)		Australasian Soilborne Disease Symposium (Kingscliff, NSW, 26-29 Aug)				
							World Potato Congress (Adelaide, 23-26 June)
